Attention Waterworks Owner/Operator:

Please be advised that the Water Security Agency (WSA) is rescinding the Precautionary Drinking Water Advisory issued February 26, 2024, for the Village of Meacham, effective immediately March 4, 2024.

Samples have been collected and returned with no positive bacteria found in the samples submitted and all other proper measures have been taken to put the water system back into service.

We believe no potential health risk currently exists for the users of the drinking water distribution system, and the advisory previously issued is hereby removed.

If you have any further questions or concerns, please do not hesitate to contact the undersigned at 306.860.7395.

Sincerely,

A handwritten signature in black ink that reads "Brandy Boha".
