Greetings from your new Administrator

I am very excited to start this journey with the Village of Meacham Council and Community. I have been working as an administrator since 2011 and began my career in Alvena where I currently reside. I earned my Local Government Administration Certificate from the University of Regina and my National Advanced Certificate in Local Government Authority from the University of Alberta. In addition to this position, I am the CAO for the Resort Village of Wakaw Lake and I am a candidate for the Horizon School Board Election for Subdivision 1.

Previous to this career, I worked as an Events Coordinator and Executive Assistant with the Saskatoon & Region Home Builders' Association as a transition into the real world from the Film & Television Industry where I worked as an Assistant Director in Alberta, British Columbia, and Saskatchewan.

I have two children, Emily (15) and Joseph (14) that attend school in Wakaw.
