2024 Election Results

Thank you to all that came out to vote and participate in the democratic process!
Please help in welcoming your new Village of Meacham Council!

Travis Harriman, Mayor
Bernie Pidskalny, Councillor
Trevor Saretzky, Councillor

Special thanks to Anita Rocamora for her years of service to the Village.

Water & Sewer Billing/ Property Taxes

Reminder that we will generate the year end water and sewer bills in December and will require meter readings at that time. Watch for the date in the December newsletter!
Reminder that the 2024 property taxes are due by December 31st. Property tax balances prior to 2024 are due immediately.

Water Usage & Leaks

Please keep an eye out for running toilets, sinks, and other plumbing fixtures. Even small trickles can add usage to your water bills.

Transition Progress

Thank you for your patience as I learn the administration process in Meacham! I have enjoyed my first few months. I am lucky to start my journey as a trustee for the Horizon School Division Board. As a result of the commitments, there will be special office hours coming up. Please watch for notices on the front door, in the post office, and on Facebook for over the next two months.
